

ALLIANCE® & ALLIANCE GT ACCESSORIES & REPLACEMENT PARTS

PROSHIELD™

The ICON PROSHIELD is fitted with a helmet shield lock to keep your shield securely closed. Sideplates (sold separately) mount to each side of the PROSHIELD for a more custom, finished look. The PROSHIELD is designed to fit the AIRFRAME, ALLIANCE and ALLIANCE GT helmets.

0133-0930	Alliance GT Watchkeeper

DROPSHIELD™

Instead of carrying extra PROSHIELD for changing light conditions, with the flip of a switch, engage the tinted DROPSHIELD hidden within the helmet. Tinted DROPSHIELDS should not be used during hours of low light; instead swap out for a yellow lens or just use the clear ICON PROSHIELD. The DROPSHIELD visor must only be used while the main face shield is in the fully closed position.
